WHAT IS RAINBOW ROOS?

Rainbow Roos is a unique community-orientated business operating in Lismore and the surrounding Northern Rivers, providing fun, engaging and skills-based soccer coaching

HOW CAN RAINBOW ROOS BENEFIT MY EVENT?

It goes without saying that a community event needs to appeal to families and is only as successful as what is on offer. By providing free sessions to kids throughout the day, you are guaranteed a regular flow of visitors, constant social media interactions and, of course, happy stall holders, sponsors and stakeholders.

WHAT CAN I EXPECT FROM A SESSION?

Based around our successful MiniRoos program, we create a safe environment where children can freely express themselves, have ample opportunities to experience success and encourage kids to improvise and be creative!

HOW DO I BOOK A COMMUNITY SESSION?

Simple get in touch and we'll tailor a solution to suit your needs, timeframes and budget. Our most popular package consists of three 45mins sessions spread throughout the day of the event, with free play in between for all other kids.
